

## Northern California Wildfires

**Thank you for \$176,000 plus, given towards CNH Wildfire Relief Funds to aid fire victims!**

\$20,000 has been disbursed to 10 churches. (Our focus for use of funds is now transitioning to long-term recovery.) We now count 47 member or staff homes in the CNH lost (29 are members of St. Mark's, Santa Rosa); 43 losses were in the cities of Napa or Santa Rosa.

The remainder of funds will be used in two additional ways:

1. **Long-term clean-up and fire victim support grants**
2. **Grants for replacement of belongings, homes, and structures**

*These grants will be administered by a group appointed by the CNH District president and representative of actual leaders from the affected congregations.*

### **How can I help now?**

1. **Want to assist?** Debi Lancina is the contact person for Sonoma County ([debi@stmarklc.org](mailto:debi@stmarklc.org) or 707-545-1230).
2. **Pray** for those affected. **Give to the CNH Disaster Relief Fund.** To donate, go to the CNH District's website, [www.cnh-lcms.org](http://www.cnh-lcms.org), or send a check to:
