

On Life Sunday, the Disability Ministry Committee at Peace Lutheran Church invited Reuben, the comfort dog from Yuba City, one of the dogs trained by Lutheran Church Charities. After our worship service, James Casner, the Program Manager, gave a presentation about Reuben's training and the activities he has attended recently, such as after the Thousand Oaks shootings, the Napa and Camp Fires, and Officer Corona's memorial service. The children loved getting to know Reuben, as shown in this photo.

We thank the CNH District for our grant, which allowed us to give the Comfort Dog Ministry a donation.
